Plumbing & Excavation Apprentice Trainee

Description

We're growing and seeking a person of high character to join our team of Master Technicians & Mighty Nice People as a Plumbing & Excavation Apprentice Trainee. No experience is required, but education in the trades will be given preference. Being mechanically inclined and able to work well with your hands is a "must have" skill to be successful in this role.

Master Technicians & Mighty Nice People is more than a tagline. It's our culture and we're excited about finding the right person to join our team. This is a different kind of place. We have a proven success system and we'll provide you all the support you'll need to become a star. You must put in the effort and be accountable for it, but we'll show you the path to achieve your dreams. We're seeking someone who is humble, hungry, and smart. If you're interested in learning the plumbing & excavation trade starting out as an assistant/helper, we would like to talk to you right away!

You'll enjoy steady work, the ability to control your own earning potential, a work environment that encourages you to do things the right way rather than rushing through a job just to get to the next one. You'll be enrolled into the plumbing apprentice training program so you can progress your career to a journeyman plumber and eventually a master plumber. We provide powerful technology that will enable you to get things done effectively & efficiently. We believe in creating WIN-win situations where the customer is always well-served, the company earns a long-term repeat customer, and the technician is handsomely rewarded.

Qualifications

- Team player and Coachable
- Mechanical skills
- Must pass Google Guaranteed Background Check & Drug Screen
- Ability to operate a boxed service truck with a Class E Drivers License in the future
- Mighty nice person
- Able to talk with people to help them understand technical issues and willing to present options

Job Benefits

If you believe in hard work, having fun, being a part of a team and serving others in exchange for a rewarding career that pays extremely well, then we want to talk to you ASAP. The right person can earn up to \$17 per hour to start (PLUS additional GENEROUS incentives) with benefits including: health, vision, dental, vacation, 401K w/match, 8 paid holidays, career/skills building educational opportunities (paid by MasterTech), tool fund match, cell phone allowance, snazzy uniforms provided by the company, an enjoyable team of people to work with and a fulfilling career.
