Plumbing Service Technician – 1+ Year Experience Required

Description

We're seeking people of high character to join our team of Master Technicians & Mighty Nice People as a Plumbing Technician!

Master Technicians & Mighty Nice People is more than a tagline. It's our culture and we're excited about finding the right person to join our team. This is a different kind of place. We have a proven success system and we'll provide you all the support you need to become a star. You must put in the effort and be accountable for it, but we'll show you the path to achieve your dreams. **We're seeking someone who is humble, hungry, and smart.**

You'll enjoy steady work, the ability to control your own earning potential, a work environment that encourages you to do things the right way rather than rushing through a job just to get to the next one, and powerful technology that will enable you to get things done effectively & efficiently. We believe in creating WIN-win-win situations where the customer is always well-served, the company earns a long-term repeat customer, and the technician is handsomely rewarded

If this sounds like the kind of team you'd like to join and you believe you belong on a championship level roster, then please apply today!

Qualifications

- 1 year of service plumbing experience required
- Capable of performing normal service plumbing duties (repair/replace water heaters, fix faucets, change cartridges, repair water lines, operate a sewer line clearing machine, repair/install water quality equipment, etc.)
- Must pass Google Guaranteed Background Check & Drug Screen
- Ability to operate a boxed service truck with a Class E Drivers License
- Preference given to candidates with HVAC experience

Job Benefits

If you believe in hard work, having fun, being a part of a team and serving others in exchange for a rewarding career that pays extremely well, then we want to talk to you ASAP. The right person can earn up to \$70K+ (PLUS additional GENEROUS incentives) with benefits including: health, vision, dental, vacation, 401K w/match, career/skills building educational opportunities (paid by MasterTech), tool fund match, cell phone subsidy, snazzy uniforms with your name on them, and a fulfilling career.
