Warehouse Assistant

Description

Our growing, reputable plumbing & HVAC company is seeking a Warehouse Assistant to join our team of Master Technicians & Mighty Nice People.

MasterTech is known for Master Technicians & Mighty Nice People. That's more than a tagline. It's our culture and we're excited about finding the right person to join our team. We spend a lot of time together and rely on one another to provide 5-star service to our customers. The teammate we're seeking will be humble, hungry and smart.

Responsibilities

- Fleet management of 16 box trucks, 3 vans, and 3 pick-up trucks which includes checking fluids, tires, inspecting the interiors, replacing broken or misaligned shelves, setting up trucks for new technicians, and daily replenishment of inventory for trucks. You will also be responsible for taking trucks to repair shop and picking them up as needed.
- Equipment Maintenance, Repair and Management – Fixing sewer cabling machines, cameras, tools, etc.
- Pick up and receive inventory and put into stock
- Parts & Equipment Delivery to Technicians in the Field
- Record Keeping
- Grounds Maintenance & Security – snow removal, building repairs, sweeping, taking cardboard to recycling center, etc.
- Occasionally help on plumbing or excavation jobs

Qualifications

The ideal candidate will possess the following skills/traits:

- Mechanical abilities/experience with small tools & machinery
- Self-starter – Willing to be accountable
- Inventory control
- Class E License (preferred, but not required. Must be obtained within first 30 days of employment)
- Knowledge of HVAC and/or Plumbing industry will be given preference
- Pleasant personality
- Leadership

Job Benefits

The person who makes the squad can expect to earn \$15-18 per hour, but exceptionally qualified candidates can earn more. This is an entry level position that will give you an opportunity to become involved in the trades, learn new skills, and potentially lead to career advancement opportunities. Benefits include: medical insurance, vision, dental, paid vacation, 8 paid holidays, 401K w/match, career/skills-building educational opportunities (paid by MasterTech), uniforms, a place you will enjoy working at, and a fulfilling career.
